Orpheus's image is a little big, don't you think? Let's resize it!

```css
img {
  width: 200px;
}
```

- ✦ Select the <img> tag!

- ✦ Set the width to 200px!

- ✦ (Don't forget the semicolon!)

- ✦ px, or pixels is a unit of measurement in CSS!

Let's plop down some quality CSS !
